

Title: "Protect Aberdeen from Trump" – S. Veal

VIDEO	AUDIO
Wide Shot (WS) High – Aberdeenshire minutes after dawn.	(SFX) Field Audio – wind, whistling fauna, running water of nearby lochs and streams
<p>(WS) Ground Level – The camera stays on several shots of untouched Scottish countryside. The viewer is experiencing this beautiful land as the people of Aberdeen do every day: majestic and enveloping.</p> <p>Text: In 2012, Donald Trump opened a golf course in beautiful Aberdeenshire, Scotland.</p>	(SFX) Field Audio – Higher volume of previous continued field audio as we're closer to the ground.
<p>(WS) Ground Level – We're sitting at the site (or nearby) as it previously was before the development.</p> <p>Text: He made a lot of promises to the people of Aberdeenshire.</p>	<p>(SFX) Field Audio</p> <p>(V/O – Donald Trump from 2010 interview) It's beautiful now. When I finish, it will be even more beautiful. We will have housing. It will look exactly as it does now, but better.</p>
<p>(WS) Ground Level, Construction Site – A harsh cut to the same area as previous, but being destroyed by construction. A once pristine land is being striped of its unique beauty.</p> <p>Text: Trump lied...</p>	(SFX) Field Audio. Construction noises, trucks, etc.
<p>(WS) Ground Level, Construction Site</p> <p>Text: ...and he isn't done. He wants to expand and destroy more of Aberdeenshire.</p>	(SFX) Field Audio. Construction noises, trucks, etc.
Close Up (C/O) of Aberdeenshire residents visibly upset. CONT'D	(SFX) Field Audio, but of calmer tones. CONT'D

<p>(CONT'D)</p>	<p>(V/O Resident #1) This is why he came here. It's beautiful. Why does he want to destroy it?</p> <p>(V/O Resident #2) This has been my family's home for centuries. I am so afraid it will be gone. Forever.</p>
<p>(WS) Ground Level, Construction Site – Back to the construction and disregard of the land, in much quicker succession.</p> <p>Text: We can stop it. Tell Aberdeenshire Council to reject Trump's plan.</p> <p>Let them know that Aberdeenshire values PEOPLE OVER PROFITS.</p>	<p>(SFX) Very faint field audio.</p>
<p>Promo graphic closes in from two sides and takes over the entire frame. Social Media icons appear at the bottom of the frame.</p> <p>Text: SumOfUS</p> <p>Sign the Petition at actions.sumofus.org/a/trump-aberdeen-golf-course</p> <p>People Over Profits.</p>	<p>(SFX) Quick, sweeping sound effect of graphic taking up the frame, then none. All emphasis is to be on this URL and sharing options on the frame.</p>
